Letter from Your Principal

School has been in session for a little over a month now and things are finally settling down. The students come back with so much energy that it's really hard to get them to sit down and focus! Now that we are back into the swing of things, there is a lot of learning taking place. As always, we are practicing our routines and using our skills to advocate for our wants and needs. We will begin our new SEE Curriculum in the next few weeks to enhance our DBT program. You can check that out at <http://compassion.emory.edu/SEE-learning.pdf>. We are also prepping for some fun activities like our Fall Festival coming up soon. As always, please reach out to the teachers to check your child's progress. ☺ We love to hear from you!
