

Update your Medicaid information before it's too late!

Medicaid redetermination is coming soon

On April 1, 2023, Georgia will begin checking who is still eligible to receive Medicaid or PeachCare for Kids[®] coverage. This is called a 'redetermination process'. During this time, families across Georgia will receive notifications in their email inbox or mailbox. Medicaid and PeachCare for Kids[®] members may be asked to respond to requests for information that will be used to determine their Medicaid status.
